Christine Turvey:

'I have been a Teacher at Thistley Hough Academy for the past 12 years and am Head of Year 11. I also support/hold accountable/develop a team of form tutors and focus on high standards of social/personal academic development of all the year group students. In addition I monitor the quality of learning, liaise with heads of departments and monitor effectiveness of interventions'.

'I became a governor because I care about the students. I want them to aim high and achieve in everything that they set out to do. This can only happen if the right people are there to support them. I feel the governing body has a voice and as a governor I enable that voice to be heard for the good of all students at Thistley Hough'.
