Mrs Janet Wakefield:

I retired in 2015 following a long career in the NHS, initially as a midwife and then in a variety of senior management roles in Women and Children's Services and at Corporate level.

I am secretary to the Penkhull Residents Association and am involved in various local community activities. As a community governor I am looking forward to strengthening and supporting close links between the Academy and community as well as being a "critical friend " with a focus on helping to achieve continuous improvement in educational standards.
