Mr Stewart Saunders:

Living locally I believe that it is important to support all aspects of community life and this naturally includes my local high school. I believe that a good school can make a huge difference to the lives and outcomes of children. As a governor I aim to support the school and its leadership but also to challenge where necessary in order to ensure that all pupils, regardless of their background and ability, receive the best possible experience in a school where they feel inspired, safe and nurtured and have the opportunity to excel and to grow as individuals.
