2. Opportunities	£50155	Attendance at THActive, internal talks and extracurricular visits is of equal proportion between PP	Almost equal proportions of PP and other students at the academy attended at extracurricular clubs during the AY 17/18.																					

		students and others in the Academy 0% NEETs	
3. Engagement	£2250	Proportion of FTEs issues to PP students is proportionate to that of non-PP students in the Academy	During the AY17/18, the rate of exclusion of PPG eligible students was higher than other students. The number of exclusions over the course the academic year decreased due to the impact of pastoral interventions that took place to support students.
