

26 February 2025

Dear Parent / Carer

Year 7 Staffordshire University Visit - 4th April 2025

As part of the Year 7 Personal Development Programme, I would like to invite all Year 7 students to attend a university visit this academic year. The first of the University visits will be taking place on Friday 4th April, to Staffordshire University.

Unfortunately, there are only 100 places available, and places will be issued on a first response basis. Successful students attending the trip on Friday 4th April, will be informed once the first 100 responses have been received. Unsuccessful students will remain in the Academy and attend the second university visit later in the summer term. Students remaining in the Academy will follow normal school day timings.

Successful students should arrive by 8:20am and will leave the Academy by 9:15am for arrival at the University for 10:00am. Students will then leave the University at 2:15pm returning to the Academy for approximately 2:45pm.

The cost of the trip will be covered by the Academy as part of the Personal Development Initiative which includes the return coach trip.

Students need to be in full school uniform, but they may wear trainers for comfort as they walk around the University site, with suitable outdoor clothing dependant on the weather. Please provide your child with a packed lunch, a bottle of water and a breaktime snack for the trip, students who receive free school meals will be able to collect their lunch prior to leaving the Academy.

The Academy reserves the right to remove any student from the trip if their behaviour or conduct does not meet the Academy expectations.

Please complete the consents via Arbor no later than Friday 21st March and confirm all allergy and medical information is up to date on Arbor.

Yours sincerely

J Rogers
