Dear Parents/Carers

Summer Exam Information 2022

As we have entered the GCSE examinations season, I write to you with some key information and dates to support your child.

From Monday 16th May, Year 11 students will continue with their usual timetable, but we will be introducing 'masterclasses' to support them further. The last examination will take place on Thursday 23rd June; until this date school timings will remain the same. Please see the masterclass timetable overleaf for full details up to the half term break. Re-timetable information for masterclasses beyond half term will be shared with you next week.

I am delighted for our students in reaching this phase of their lives and ask that they stay calm but continue to work hard until their final exam. We are all very proud of our students and understand how stressful this period of time can be for some. I ask that together we do all that we can to support all students completing their exams this summer.

I would like to remind you that breakfast is available each morning for all Year 11 students from 7:50am – 8:20am. I encourage all students to bring a full water bottle to school each day due to the expected warm weather, and to assist them with remaining hydrated and focused. **All students should be on time and in school for 8:20am as lateness could cause a student to be denied entry to their exam.**

Results day will take place on Thursday 25th August; more details to follow.

Finally, I would like to take this opportunity to thank you for your continued support. It is a pleasure working at Thistley Hough Academy, and within this wonderful community.

Kindest regards

Noel Kennedy
Interim Principal
