# All About Me

## A snapshot in to my life

Draw your family members on the templates and label who they are.  
You could add additional members and pets in the blank space.

My family originates from \_\_\_\_\_.

Label on the world map.

Someone I look up to  
and why.

Things I like.

Things I don't like.

Hobbies and interests.

What I found difficult at primary school.

What I am looking forward to at Thistley Hough.
