Dear Parent/Carer

KS3 Maths Revision Guides

We are excited to offer you the opportunity to buy a complete KS3 Maths revision guide for your child. This complete study and practice guide covers all the topics your child will cover in Years 7, 8 and 9. Every topic is explained with clear, friendly notes and worked examples. There are also plenty of questions, mixed-topic tests and a brilliant new practice exam, all complete with answers, perfect for testing students' skills at the end of KS3.

Your child will also have access to the free online edition which lets you read the entire book on a PC, Mac or tablet; access will be via the unique code printed on the inside cover of each guide.

This guide will allow your child to revise for upcoming assessments and gives them additional practise material.

We can offer you this guide at either a foundation or higher level at a price of £6.

If you would like to purchase a guide, please complete the reply slip below, clearly stating your child's name and form and which version you would like to purchase and return to your child's maths teacher. Please then complete payment via ParentPay. The deadline for all orders is 31st January. Books will be distributed to your child as soon as the order arrives.

Yours sincerely

Miss Laura Wake
Deputy Director Maths KS3 Lead
