Dear Parent/Carer,

Learning Journeys and Curriculum

To enable students to flourish, their time at Thistley Hough Academy is mapped out. This is for students to clearly see the pathway they will follow and the goals that they need to work towards and achieve.

For each subject, we are now excited to share our curriculum offer from Year 7 to Year 11 with you. Our subject teams have developed subject specific learning journeys, providing students with a visual pathway, in order to help them visualise their progress through each subject from Year 7 to Year 11.

Subject leads have also written a brief overview of what each year group will be studying in each term for their subject.

The learning journeys and curriculum overviews are available for you to view on the Academy website here - www.thistleyhoughacademy.org.uk/curriculum/

We hope that these learning journeys clearly communicate an outline of what your child should expect to learn throughout their time at Thistley Hough Academy in every subject.

In addition, all students have now been signed up to Unifrog. Students will be accessing this within lessons but can also log on from home.

Yours sincerely,

Mr J Law
Assistant Principal
