

12 January 2023

Dear Parent/Carer,

Year 11 GCSE Geography Ambition Class

As part of our support and intervention for GCSE Geography we are pleased to inform you of an exciting opportunity for your child to attend targeted intervention sessions.

We have partnered with the City of Stoke-on-Trent Sixth Form College who will be delivering these sessions. Based on your child's aspirational target grades we are offering them a place as part of this bespoke intervention group.

Sessions will be delivered on a weekly basis, every Thursday from 14:45-15:45pm in room 203, starting on Thursday 26th January and will focus on key topics from across the AQA GCSE Geography course to further develop your child's knowledge, skills and understanding. These sessions will be delivered by a subject expert from the Sixth Form College.

Refreshments will be provided for students taking part.

To confirm your child's place on this exciting opportunity, please complete the below reply slip and return it with your child to return to their Geography teacher.

Yours sincerely,
Mr D. Gooding
Head of Geography

Year 11 GCSE Geography Ambition Class
