

12 September 2023

Dear Parent/Carer

Revision Guides for Science for all Year Groups

The Science Department are offering discounted revision guides and workbooks to all year groups through ParentPay.

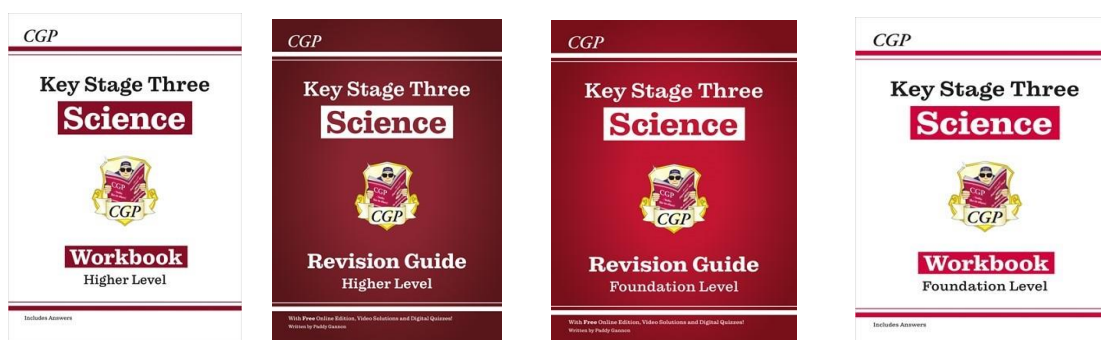

There are different options available for different levels so please read through carefully for all the options.

It is optional to purchase these guides, they will be for your child to use at home to practice what they have learnt in class and as revision for assessments. Your child will not be set work from them, but their teacher can advise them what pages to complete or look at for different topics.

Years 7 and 8 - Key Stage 3 Revision Guides/Workbooks

If your child is working at a grade **3-5** please purchase the **foundation** level guides and workbooks.

If your child is working at a grade **5+** please purchase the **higher-level** guides and workbooks. If you're unsure, please ask your child's teacher or email me.

Year 9 - Transition year to support GCSE.

In Year 9 we do not start GCSE Science; however, the guides are tailored to support the content we are covering.

If your child is thinking of taking Triple Science as an option please purchase the Triple Science guides for Biology, Chemistry and Physics.

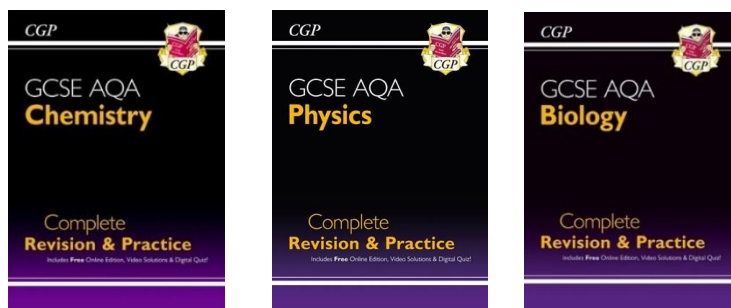

If your child does not intend to take Triple Science, please purchase the Combined Science guides.

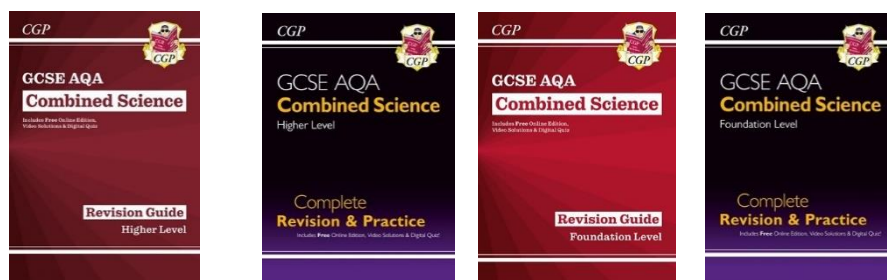

Year 10 and 11 - GCSE Triple or Combined Science

If your child is in any of the following classes for Science, 10asc1, 10asc2, 11asc1 or 11asc2, please purchase the Triple Science guides for Biology, Chemistry and Physics

If your child is in any other class in Year 10 or 11, please purchase the Combined Science guide.

Triple Science Books - all 1 tier

Combined Science books –
foundation or higher tier

All guides are available on ParentPay and the department will get a weekly report on Thursday, to then give these out to students on a Friday. If you have any further queries, please do not hesitate to contact your child's Science teacher or myself at Rhianne.flanagan@thistleyhoughacademy.org.uk

Yours sincerely

R. Flanagan
