30 January 2024

Dear Parents/Carers

Important Information - Repair Works at the Academy

Due to ongoing maintenance at the Academy following the identification of a leaking underground water pipe, we regret to inform you that the school site will need to close at 3:00pm again today, Tuesday 30th January.

This will mean that all afterschool classes/clubs will be cancelled and that Reflect will close at 2:45pm. All students will need to be off the Academy site by 3:00pm.

Additionally, whilst repair works are being carried out, we have had to make changes to the entry and exit points to and from the building. From today, and until further notice, all students are to enter and exit the school building from the lower car park (Newcastle Lane). No entry or exit will be permitted via the gate onto the main school yard and MUGA area at the front of the building. Please could I request that you take extra care when dropping off or collecting your child at the start and the end of the day, and that you adhere to the 5 miles per hour restriction at all times.

I would like to assure you that the safety of our students remains paramount as always, and that we are doing everything we can to minimise disruption whilst these repair works are taking place. We will keep you updated with regard to any further information, but in the meantime, I would like to thank you for your support as ever.

Kind regards

Noel Kennedy
Principal
