22nd January 2024

Dear Parents, Carers and Students,

Re: School re-open following repairs to burst pipe.

Following the disruption caused by the burst pipe on Friday 19th January, **I am pleased to inform you that the Academy will be open tomorrow – Tuesday 23rd January - to all year groups as normal** and that we can resume our usual school operations without any further disruptions.

The burst pipe necessitated the closure of the school to ensure the safety of our students, staff, and the integrity of the school infrastructure. External contractors, along with our maintenance and facilities team, have worked diligently over the course of the weekend and today to address the issue and implement the necessary repairs to ensure a safe and conducive learning environment for everyone.

We understand that the closure may have caused inconvenience, and we want to express our gratitude for your flexibility and support as we worked to resolve the situation. Our commitment to the safety and well-being of our students remains our top priority, and we appreciate your cooperation in this regard.

Once again, thank you for your understanding, patience, and cooperation during this unexpected and challenging situation.

Yours sincerely

Noel Kennedy
Principal
