Dear Parents/Carers and Students

Welcome to the New Academic Year 2024 - 2025

As we enter into the academic year 2024 – 2025, I would like to start by welcoming our new Year 7 students to the Academy. It has been an absolute pleasure to meet the new year group and to see what an incredible start to secondary school they have made. We very much look forward to supporting them through their Thistley Hough journey.

This year will be a significant time for our Year 11 students as they enter into their final year in secondary education. I would like to take this opportunity to wish them luck throughout the upcoming months and encourage them to work hard, and to commit themselves to achieving the very best that they can during their final examinations in the summer term.

Parents/carers of students in Year 11 will have received an invite to our 'Welcome to Year 11 Evening' tomorrow, Thursday 12th September commencing at 4:30pm, where we will share further information and important dates for the upcoming year. If your child is in Year 11, please ensure to join us on this evening.

Similarly, Year 9 is a pivotal time for students at the Academy as they begin selecting their option subjects, marking a significant step towards shaping their academic and career paths. This decision-making process allows them to explore subjects they are passionate about or excel in, laying the groundwork for future academic achievements and career aspirations. Choosing the right mix of subjects not only enhances their academic skills but also fosters personal growth and self-discovery. It is crucial because these choices can influence their opportunities for higher education and career choices later on. We look forward to sharing more information regarding this during our Year 9 Parents'/Options Evening on Thursday 6th February 2025. Full details will follow nearer the time.

We will also be starting the process of recruiting our new Year 7 students for September 2025 and **we would urge early applications for student entry**. Open Evening for prospective students is scheduled for Thursday 19th September, 4:30pm until 7:00pm. Even if you have attended an Open Evening the past, please do join us again on this evening if you have younger children who will be transitioning to secondary education in 2025. Please also feel free to encourage prospective students, families, and friends to attend so that they can see our excellent facilities and explore further the opportunities that Thistley Hough can offer to support and nourish the education and success of all young people.

Urgent plea/reminder

Please could I take this opportunity to reiterate the importance of not causing an obstruction by illegal or inconsiderate parking on Thistley Hough or Newcastle Lane when dropping off or collecting your child/children from school. Our neighbours have at times reported difficulty with access to their driveways, and we have witnessed the build-up of cars causing a hazard for students crossing the road. We would also request that students **are not** dropped off or collected from the visitor's car park as this causes obstruction and poses further health and safety risks. Consequently, **I urge all parents/carers to use the designated drop off and pick up zone on the lower car park at all times which is accessible from Newcastle Lane.** I would like to thank the vast majority of you for your cooperation with regard to the use of this area at the start and the end of the school day. We appreciate that there are times when this area is particularly busy, but the safety and well-being of our students, as always, remains paramount.

Communication

All whole school letters can be found on our website at <https://www.thistleyhoughacademy.org.uk/parents/letters-to-parents/> and we regularly update our social media platforms with news and events that take place at the Academy. If you would like communication via any other channels or would like to suggest further ways of us communicating with parents/carers and the community, please email the school at the above address and we will ensure to consider all appropriate platforms.

Finally, for your convenience please find a reminder of the times of the school day and holiday dates for this academic year attached, along with uniform information and basic expectations.

Thank you for your support. I very much look forward to the academic year ahead.

With very best wishes
